(Rich) Summer Camp

Burton and I are proposing a 5 week summer camp at Buccaneer Arena. There are a number of rules, with no discounts available for multiple registrations. Price is \$95/skater and will include a LTS USA membership if they do not already have a membership with CIFSC. We will need 3 volunteers to help.

(Rich) Freestyle Pricing

Summer Camp consists of classes in the first half hour, and an abbreviated freestyle in the last half hour for use by any of our coaches and skaters. Right now, we're doing two 1 hour sessions at \$15/each. With a limit of 12 skaters, this seemed reasonable to ensure that skaters are able to move through there as we see numbers increase. This works out to \$7.50 per half hour. I would like to use this amount, or possibly a \$10 minimum, for Saturday's abbreviated freestyle to keep it inexpensive for skaters to participate (it will be under the same rules as our morning sessions). Also, when we start using other facilities, this gives us the ability to price them by the half-hour or break up the time into multiple sessions if we choose.

Motion: Approval of \$10 for a half hour freestyle session, other \$7.50/half hour.

Rich moved that the motion be adopted by the Board, the motion was adopted.
